Dear Sirs

RE: CASE REFERENCE HGY/20123/0225

7 BROADLANDS CLOSE HIGHGATE N6 4AF

I am writing to you with reference to the above. In your letter of the 24th January you state that you have attached a statement for the reasons to remove the Scots pine T1. This was in fact not attached.

I certainly have no objection to the removal of the pine tree which is roughly twice the height of the house and about five feet away from the front of the property.

The tree is only viewed by the six houses in our cul-de-sac so I cannot see that that it affects anyone other than the residents of our Road. It is obviously an eyesore for the occupants of 7 Broadlands Close and I can fully understand why they wish to remove this tree. If they plant a standard size silver Birch in the corner of the front garden or retain the existing garden Yew Tree this should surely satisfy everybody including the Council.

Yours truly
