Dear Sir

Case ref HGY/2023/0108
57 Cholmeley Crescent London N65EX

My husband and I are in receipt of your notice letter dated 31 January informing us of the proposed development next door.

We knew nothing of these plans and they came as a shock to us as we are both elderly my husband is nearly eighty and until this event our neighbours have always advised us on any proposed developments in advance. As you will see from our council tax account 2323115 we have lived in this residence for over twenty years,

Having studied the proposed drawings we must lodge a formal objection to the development proposed for the rear of the adjacent house number 57. It will reduce daylight to the rear of our home and the back windows of the main sitting room. In addition the outside patio is used for most of the summer months and this area will be also be darkened.

We understand that we have a right to light and we are writing to establish this right with the owners so that they are on put on notice.

Yours faithfully

Vivien Kenley
