Levels shown have been interpolated from drawn information received from a third party and F3 Architects do not warrant the accuracy of that information. It is the responsibility of the Main Contractor to check all information contained within this drawing prior to work being carried out. Any discrepancy or omissions within this drawing, between it and the existing site, must be reported immediately to the Design Team before proceeding. The boundary redline shown is indicative.

The information on this drawing is based on a third party measured survey.

SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

It is assumed that all works on this drawing will be carried out by a competent contractor, working where appropriate to an approved method statement.

Except for Planning purposes, typical dimensions only are to be taken from this drawing. All dimensions are in millimetres unless otherwise stated. All dimensions shall be checked on site prior to works commencing. Any discrepancies shall be reported to the Architect. © Copyright F3 Architects. All rights reserved.
