

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	HGY/2022/4054
Application type	Conservation Area Notification
Site Address:	7 Hurst Avenue Hornsey London N6 5TX
Proposal	Oak (T1): Reduce to previous, most recent pruning points (approx. 1-2m) as part of routine arboricultural maintenance. Birch (T2): Fell to ground level to mitigate likely failure in the near future. Top has died back significantly following recent drought and is being further suppressed by the two larger adjacent birches (see photo).

RECOMMENDATION:	No Objection	
Application date	09/11/2023	
Tree Inspector	DM	Date: 21 st February 2023

Site

The Oak and Birch trees T1 & T2, as marked on the plan, are situated in the rear garden of the property. The Oak is publicly visible in between the structures.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

Oak (T1): Reduce to previous, most recent pruning points (approx. 1-2m) as part of routine arboricultural maintenance.

Birch (T2): Fell to ground level to mitigate likely failure in the near future. Top has died back significantly following recent drought and is being further suppressed by the two larger adjacent birches (see photo).

Issues

I hold no objections to the proposed works.

The Oak tree is repeat pruning works back to the last previous. The specification is with good arboricultural practice, reasonable and good husbandry.

There is a condition to replace dead, dying and dangerous trees within a Conservation Area.

Recommendation

No Objection

Condition: Re plant *Prunus* spp. 10-12cm girth
