Site

The Holly *Ilex* spp. tree ST1, as marked on the plan, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Stroud Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

ST1 Holly - Fell remainder of stump/regrowth and treat stump with eco plug.

Issues

I hold no objection to the removal of ST1 solely on the grounds that the Holly is not worthy of a Tree Preservation Order.

Recommendation

No Objection
