

Existing structural opening lowered to reach internal floor level. Proposed timber double door and new fixed window above, both with green (RAL 6005) painted finish. Proposed door to provide secondary escape route only.

New timber-clad bin store positioned along boundary wall with natural / clear finish

Proposed timber double doors with green (RAL 6005) painted finish and double-glazed panels. Fixed window above doors. Proposed heritage style, in keeping with adjacent properties

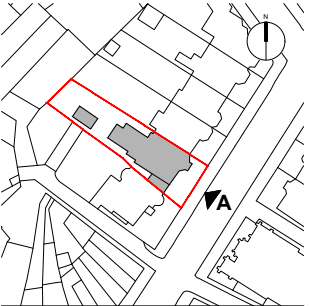

New circular profile metal handrails in black PPC finish to match railings

Existing landscape retained to the front boundary
