Thanks for clarifying, so the space would be part of the public highway? The parking management plan usually includes a 'Plan B' for if there is no demand for the Blue Badge bays but that wouldn't apply here.

There is a vicarage space, perhaps worth clarifying the arrangement there to make that clear. Can you then submit this formally as an approval of details? We will endeavour to turn it around as quickly as possible with transportation colleagues.

Let me know when its submitted and we can expediate the registration and consultation.
