3 and 3a Curzon Road (HGY/2022/4276)

Dear Sir,

After careful consideration with my wife who took the time to look at the plans of 3, Curzon Road, I would like to withdraw my comment on the website of 'I have no objections'. This is because as my wife correctly pointed out, our garden will be overlooked significantly by the development proposed, especially from the balcony on the third floor.

We would therefore like to register our position as an objection.

Please present this position on our behalf to the planning application decision committee.

Yours Sincerely,

Mr and Mrs Beachill.
