Dear Mr Bossman-Gyamera,

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)
NATIONAL PLANNING POLICY FRAMEWORK 2021**

7 Brantwood Road, Tottenham, London, N17 0DT

Redevelopment of the site to provide 5No. new self contained dwellings within a three storey building. Redevelopment will also include the donation of parts of the site for improvements to the public realm bordering the site

Recommend No Archaeological Requirement

Thank you for your consultation received on 2023-02-06.

The Greater London Archaeological Advisory Service (GLAAS) gives advice on archaeology and planning. Our advice follows the National Planning Policy Framework (NPPF) and the GLAAS Charter.

NPPF section 16 and the London Plan (2021 Policy HC1) make the conservation of archaeological interest a material planning consideration.

Having considered the proposals with reference to information held in the Greater London Historic Environment Record and/or made available in connection with this application, I conclude that the proposal is unlikely to have a significant effect on heritage assets of archaeological interest.

Although the site is located in an Archaeological Priority Area, it has been previously developed with the current buildings and is located away from the main focus of the Roman road to the west.

No further assessment or conditions are therefore necessary.

This response relates solely to archaeological considerations. If necessary, Historic England's Development Advice Team should be consulted separately regarding statutory matters.

Yours sincerely

Helen Hawkins
