

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	HGY/2023/0357
Application type	Conservation Area Notification
Site Address:	15A Cholmeley Park Hornsey London N6 5ET
Proposal	T1 Lombardy Poplar - pollard to previous reduction points T2 and T3 limes - pollard to previous reduction points.

RECOMMENDATION:	No Objection	
Application date	06/02/2023	
Tree Inspector	DM	Date: 23 rd February 2023

Site

The Lombardy Poplar and Lime trees T1- T3, as marked on the sketch plan, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1 Lombardy Poplar - pollard to previous reduction points

T2 and T3 limes - pollard to previous reduction points.

Issues

I hold no objections to the proposed reasonable works.

The Poplar has been reduced before. Poplar wood is notoriously weak and the species short lived. Topping Poplars leads to column decay and weak attachment points.

The Limes have been reduced before. Limes respond well to pollarding and generally soon restore their crowns.

Recommendation

No Objection
