Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

We currently utilise this house as a semi-independent provision for young people age 16+ in Care from Local Authorities. We have an HMO Licence for this property which was issued on 2nd September 2021.

We have an application in with OFSTED to change the use of this home from a semi-independent provision to a Registered Children's Home.

Everything remains the same with the building as it is now. We are not proposing any changes with the structure of the building. We are just changing the use of the building. We will continue to use the 3 bedrooms for children and they will share the communal facilities such as lounge, kitchen and bathroom with other children, with staff having a separate toilet downstairs which is already in existence.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

We contacted Haringey Council back in 2020 when we were proposing operating a Parenting Unit at this property and were informed at the time that we did not require Planning Permission.

Select the use class that relates to the existing or last use.

Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We are a provider who offers a good service to Local Authorities to support vulnerable young people and have an established track record of providing great support and good outcomes for the young people. We have been established as a provider for almost 7 years and we are well respected by Social Care in the services we offer. We wish to continue our good work by offering care, accommodation and support to vulnerable children. We wish to offer them a home in which they can flourish and develop.

With regard to our application to OFSTED, to operate a Children's Residential Home, we need to provide evidence that we do not need planning permission for change of use and this is the reason we require a Lawful Development Certificate.
