Site

The various trees T001, T004, & T006, as marked on the plan, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Bounds Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Issues

I hold no objection to the proposed tree works. The apple T001 is in a poor condition and low grade.

The remaining work is minor and reasonable.
