As a Cllr of long standing, I am responding to this application. I have visited the above address and my comments are below and are based on my observations and local knowledge during my 20 years as a Cllr for this ward and as the Design Champion for Haringey.

I am surprised re this application as all planning permissions like this have a requirement for no satellite dishes to be permitted to improve / maintain the visual experience of the adjacent area.

I am therefore asking that this application be rejected.
