Details of the pre-application advice received

Town and Country Planning Act 1990

Investigation of alleged breach at - 106 Priory Road, Hornsey, London, N8 7HR

I write with reference to the above act. Following a site inspection of the property it appears that a breach in planning control has occurred.

I consider the breach in planning control to involve: Unauthorised development of three air conditioning units, not in accordance with HGY/2022/0378 .

According to our records, the above-mentioned development does not have the required planning permission, it is considered that the development is materially different to the approved scheme.

Therefore, the air conditioning units are unauthorised and subject to investigation by the planning enforcement team.

In light of the above, planning permission is required to remedy the breach of planning control.

Ross.Parsons@haringey.gov.uk - Senior Planning Enforcement Officer

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
