Robbie McNaugher
Head of Development Management and Planning Enforcement
Planning Service

Informatives:

The applicant is reminded that should the proposed development change post the reporting date of September 2022 from 'Residential without home-grown produce' land-use scenario as submitted to 'Residential with home-grown produce' as alluded in sections 5.3.2 and 6.1 of the report then, further assessment will need to be undertaken as the such adopted land-use scenario will require altering to be representative of the updated proposed end-use.
