Hello Kwaku,

Transport comments are as follows:

- a. The site has poor public transport accessibility (PTAL=2) and is located within a CPZ.
- b. The proposals to increase provisions of car parking to three spaces would be contrary to London Plan maximum car parking standards and therefore unacceptable.
- c. Should the remodelling of front garden proceed, a dwarf wall will be required at the back of footway, to prevent two cars from parking in the front garden, as presently proposed.

Regards,
