Please state the condition number(s) to which this application relates

Condition number(s)

6. Prior to commencement of development, anyone with an interest in the land subject of this grant of permission shall enter into an agreement under S106 of the Town & Country Planning Act 1990 with the Local Planning Authority

Has the development already started?

☒ No

Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The reason for the request of the condition 6th to be removed is that all current and proposed properties will be rented out and in the AST it will state that no parking is allowed in front of the property, tenants will not be able to apply for a parking permit either what will be included in their AST. Current parking (3 spaces) is assigned to the business premise only and it is monitored by the independent parking control. We have no intension of selling the property therefore we are strongly convinced that above explanation is enough to satisfy a car free development condition and no agreement is needed in this instance.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
