Subject: Re: Planning Application Received - London Borough of Haringey

Dear Sir/Madam

Thank you very much for the fast response to my application, with regards to the above mentioned premises.

Please find attached 2no photographs of the rear elevation of the application property. One of the pictures show the cassettes in position and the other clearly indicates that the cassettes, located on the roof of of the rear extension, cannot be seen from ground level.

Regards,

Helen King Brown
