Dear Gareth,

Re: Discharge of Condition on Planning Application HGY/2022/2740 at Public House 102 Northumberland Park N17 OTS.

Good Morning. I trust you are well.

Please see below the correspondance between myself and the Amir Shahkamrani, the Project Architect for the above project.

Attached is the requested waste transfer note that was requested in the Pollution Teams comments dated 15 February 2023 @ 08:55 relating to the discharge of condition 12 (Remediation) attached to application HGY/2017/2821 at Public House 102 Northumberland Park N17 OTS.

Having reviewed the applicants additional supporting information, **it is considered that sufficient supportive information has now been submitted and we are happy to recommend the discharge of condition 12 (Remediation) of the approved planning application HGY/2017/2821.**

For completeness could the attached please be uplodaded to the public file?

I hope the above clarifies our position on the submitted application? Otherwise, feel free to contact us should you have any further query in respect of the application quoting M3 reference number WK/559337.

Kind Regards,

Edward Ritchie
