Application number	HGY/2023/0399
Application type	Conservation Area Notification
Site Address:	1 Cholmeley Crescent Hornsey London N6 5EZ
Proposal	Removal of medium-sized Leylandii to allow surrounding trees to expand and flourish.

RECOMMENDATION:	No Objection	
Application date	09/02/2023	
Tree Inspector	DM	Date: 21 st March 2023

Site

The Conifer tree, as marked on the sketch, is situated in the rear garden of the property. It is not publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (21/03/2023 at approximately 11am).

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

Removal of medium-sized Leylandii to allow surrounding trees to expand and flourish.

Issues

I hold no objections to the removal of the conifer tree.

The tree is part of a group and is the weakest specimen with suppressed growth. There will be no impact of loss and the screen between the properties will remain.

Recommendation

No Objection
