Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing property is a mid-terrace, 3-storey, residential building in single dwelling occupation. The new garden room will only be accessible from the main dwelling and would be used as an ancillary to the main residential use of the property. It should be further noted that - as shown on accompanying drawing PD04 - there are existing garden buildings in the gardens on either side at 103 and 99 Woodstock Road, the most recent of which was built under permitted development rights in 2013 (HGY/2013/0732).
