

DWG NO: P102

A photograph of a balcony with a metal railing and a window with a flower box. The balcony has a metal railing and a flower box. The window is on the right side of the balcony. The flower box contains various flowers, including purple and white ones. The balcony is on a wooden building.

A photograph of a balcony with a metal railing. In the background, there is a window with white curtains and a dark frame. A wooden chair is visible on the left side of the balcony.

A photograph of a long, dense, and well-manicured green hedge. The hedge is composed of many small, dark green leaves, creating a thick, uniform wall of foliage. It runs horizontally across the frame. To the right of the hedge, a brick wall is visible, and in the foreground, a light-colored paved path or driveway runs parallel to the hedge. In the background, there are some trees and a building with large windows.

GROUND FLOOR

Architectural elevation drawing of a three-story building facade. The drawing is divided into three horizontal sections: Third Floor, Second Floor, and First Floor, separated by dashed lines. The ground floor is at the bottom. The facade is composed of various window and door units. The left side features a large window unit on the third floor, a smaller one on the second floor, and a large window unit on the first floor. The right side features a large window unit on the third floor, a smaller one on the second floor, and a large window unit on the first floor. The ground floor has a large window unit on the left and a large window unit on the right. A human figure is shown next to the ground floor window on the right for scale. The drawing is labeled "Facing bricks" in several places. The ground floor is labeled "GROUND FLOOR" and the upper floors are labeled "FIRST FLOOR", "SECOND FLOOR", and "THIRD FLOOR". The drawing includes a north arrow pointing towards the top right.
