| Tree Inspector   | DM           | Date: 22 <sup>nd</sup> March 2023 |

## **Site**

The London Plane tree is situated in the front garden of the property. It is highly publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Northumberland Park Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

## **Proposal**

Tree works proposed:

Tree location - front garden

T1 - 70+ DBH H16+ S10+ - Plane

Remove all regrowth to bring back to original pruning points as per previous practice.

## **Issues**

I hold no objections to the proposed reasonable repeat works.

The specification is within good arboricultural practice and husbandry.

Plane tree are able to tolerate and respond well to such practices.

## **Recommendation**

**No Objection**
