

General notes:

Do not scale from drawings.
Errors to be reported immediately to the Architect.
To be read in conjunction with all relevant Architects', Services and Structural Engineers' drawings.
All existing site, tree and building information has been compiled from different sources.
All dimensions to be checked on site.

Comments:

Key:

- Site Boundary
- 1. Replace all existing windows with high quality double glazed steel windows designed to match the style and proportions of the original windows that are found on site.
- 2. The existing roof tiles to be replaced with plain tiles to match the period of the house if the current flat interlocking pantiles are found to be from a later period.
- 3. Repoint and repair existing brickwork where necessary.
- 4. New lead dormer windows.
- 5. New metal framed double glazed wall.
- 6. New stone extension.
- 7. New metal garage door.
