Ms Lynagh & Mr MacCabe		Proposed Plan				1:150 @ A3					

The image shows a detailed architectural floor plan of a rectangular storage unit. The plan is oriented horizontally. On the right side, there is a semi-circular protrusion. Red dimension lines with numerical values are used to specify key measurements: a vertical dimension of 5000 on the right side, a horizontal dimension of 4194 across the middle, a horizontal dimension of 3193 from the left wall to the start of the semi-circular protrusion, and a vertical dimension of 2500 for the depth of the protrusion. The walls are represented by thick grey lines, and the internal structure of the protrusion is also shown.
