Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☐ Yes
- ☒ No

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☒ Yes
- ☐ No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

The proposed house will be used for the purpose of a religious community whose principal occupation is prayer, contemplation, education

Once this is approved the landlord will be able to go under freedom of religion and discuss with the local head of the Church, Mosque or Temple and various other religious groups to utilise this as a religious commune living space that will also be used to educate the occupants of this house in the ways of that specific religion, whether that be with bible study or the study of the Quran will depend on which group is suited best for this religious community living space

Furthermore dependant on the religion there will be prayers for the occupants of this religious community, this may take place 5 times a day if for example, a Muslim community moves in or 3 times a day if a Jewish community moves in

The exact set-up can only be made clear once approval has been received so that the right religious community will be able to utilise this religious community living space for its specific community, it would be prejudiced to not approach all the local faith leaders in the area, whether that be Buddhism, Christianity, Hinduism, Islam or Judaism

The main purpose for this house is exactly as we have said, and is like you have described a religious community whose principal occupation is prayer, contemplation, education etc

If Yes, please fully describe the existing or the last known use, with the date when this use ceased
