Approve with Conditions

1. REPRESENTATIONS

1.1 No representations were received in response to notification and publicity of the application.

2. REASONS FOR GRANTING PERMISSION

2.1 The subject site is a mid-terrace two storey residential dwellinghouse, nearby to Stamford Hill station. The site is not located within any conservation area and does not fall within the curtilage of a listed building.

2.2 The planning history of the site has been taken into account when coming to this decision.

2.3 The proposal is for a wrap-around side infill extension, complete with sukkah roof light, finished in similar materials to the existing. The aim of the proposal is to provide a morning room for the occupants.

2.4 The proposed extension would protrude 3.5m from the existing dwellinghouse, with the side infill portion measuring 6.98m in depth. The maximum height of the extension would be 3m excluding the included sukkah roof, with a pitch down to 2.3m along the boundary with No. 11 Berkeley Road.

2.5 The proposal would be finished in materials similar to the host dwellinghouse and would be sensitive to the surrounding area. Considering the proposed scale and material choice the proposal is deemed to be acceptable in design terms.

2.6 The proposal is considered proportionate and subordinate to the host building and is in keeping with the pattern of development in the area. Therefore, the local character and visual amenity of the area will be protected.

2.7 The height and depth of the extension would not result in a material loss of sunlight or daylight, or have an overbearing appearance to the neighbouring property. There will be no material loss of privacy to neighbouring properties. The proposal is acceptable in amenity terms.

2.8 The proposed development is in general accordance with Policies DM1, and DM12 of the Development Management, Development Plan Document 2017, and policies SP11 and SP12 of

Haringey's Local Plan Strategic Policies 2017. The proposed development also accords with the relevant policies of the London Plan 2021 and the NPPF.

2.9 All other relevant policies and considerations, including equalities, have been taken into account. Planning permission should be granted for the reasons set out above.
