T1 Lawson Cypress - fell

T2 Lawson Cypress- fell

There is a history to these two trees which the applicant has been wanting to fell for some time, though opposition meant they were left on the landscaping proposals. It is unclear why.

[HGY/2021/1302](#) permission granted to N03L-GRDN-GA-PL-100-Landscape Masterplan 02, which clearly shows the two trees preserved.

HGY/2019/2742 Landscape proposal retains the two trees.

HGY/2017/3071 The trees are to be retained

[HGY/2015/3796](#) A protective barrier was proposed around the two trees.

There is no reason given to fell the trees which continue to flourish, keep something of the verdant nature of the road and screen the building at the end of the road. There has been consistent local opposition to felling the trees and their retention has local support.
