

Architectural floor plan of the first floor of an existing building. The plan shows two levels, both labeled "First Floor as Existing". The building is divided into several rooms and a central staircase. Key features include:

- Existing RWP (Right Wall Panel):** Indicated by red dashed lines along the right boundary of the building.
- Existing SVP (Side Wall Panel):** Indicated by red dashed lines along the left boundary of the building.
- Staircase:** Located in the central area, showing a set of stairs with a landing.
- Rooms:** Various rooms of different sizes are shown, some with internal partitions.
- Structural Elements:** Walls, doors, and windows are depicted with standard architectural symbols.
- Labels:** "No. 01" is located on the left side, and "No. 05" is located on the right side.

This architectural section drawing shows a building facade with brickwork. Two vertical red dashed lines are present. The left line is labeled 'No. 01' and the right line is labeled 'No. 05'. The drawing includes a chimney on the left, a sloped roof section, and a vertical stack of windows on the right. The brickwork is detailed with a grid pattern.
