

Existing Front Elevation

Existing Rear Elevation

Existing Side Elevation

Proposed Front Elevation

The rooflights will protrude no more than 0.15 metres beyond the plane of the slope of the original roof when measured from the perpendicular with the external surface of the original roof.

Proposed Rear Elevation

The materials used in any exterior work will be of a similar appearance to those used in the construction of the exterior of the existing dwelling-house.

Proposed Side Elevation

Any window inserted on a wall or roof slope forming a side elevation of the dwellinghouse will be obscure glazed and non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed.
