Conditions: (5)

- 1 The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 One replacement tree must be planted in the rear garden of the application site within 12 months of the removal of tree T4. If the new tree, or any replacement for it, dies or is damaged or lost for any reason within five years of the initial planting, another tree of the same species and size must be planted in same location, unless the Local Authority agree in writing to any variation.

Reason: To achieve good arboricultural practice and protect the visual amenity of the area.

- 4 The development hereby approved shall take place in complete accordance with the approved Arboricultural Impact Assessment (AIA), Tree Protection Plan (TPP) and Arboricultural Method Statement (AMS) as supplied by SJ Stephens Associates with the tree protection fencing/ground protection measures installed before commencement of the works on site. The protective fencing / ground protection measures shall be retained in a good and effective condition for the duration of the construction of the development and shall not be moved or removed, temporarily or otherwise, until all site works have been completed and all equipment, machinery and surplus materials removed from site, unless the prior written approval of the Local Planning Authority has been sought and obtained.

Reason: In order to ensure the safety and well being of the trees adjacent to the site during constructional works that are to remain after works are completed consistent with Policy G7 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

- 5 The external materials to be used for the proposed development shall match those as specified on the approved plans and application form.

Reason: In order to ensure a satisfactory appearance for the proposed development and to preserve the character of the Highgate Conservation Area, consistent with Policies SP11 and SP12 of the Haringey Local Plan 2017 and Policies DM1, DM9 and DM12 of The Development Management DPD 2017.
