Details of the pre-application advice received

Dear Rachel,

Many thanks for your email. This page on our website <https://www.haringey.gov.uk/planning-and-building-control/planning/planning-applications/how-does-planning-application-process-work> has further details on how to submit your application and what is required, but essentially you should provide the application form, a site location plan to scale 1:1250 with the boundary of your property (the whole property, please note, not just the house) outlined in red, photographs of the existing windows and details of the proposed windows (brochure images and a glazier's schematic).

Do please be aware that, as your property is in the Tower Gardens Conservation Area and the Tower Gardens Article 4 Direction Area, the Council endeavours to maintain a very close control on the materials used for window replacements for such properties, and uPVC is not encouraged, so please bear this in mind when taking decisions about your application.

I hope this is helpful.

Kind regards,

James.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

*** "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**
