

- Vehicle loaded at Distribution Centre Waltham Cross EN8 7RQ between 18:00-19:00 as first delivery on rear door. Minimum size of vehicle will be 18t but may be 26t
- We understand the Night time London Lorry Control Scheme and have chosen a route to minimise the use of road within this restriction.
- Vehicle to depart Waltham Cross between 19:00-20:00.
- Estimated arrival time to make delivery 20:00-22:00.
- Vehicle to travel down the A10, turning right onto W Green Road following onto Alfoxton Ave. Vehicle will then turn right onto Green Lanes going straight over the Turnpike Lane junction onto High Road.

- We will aim to park in the loading area outside 105 High Road.

- Delivery will be delivered via a pallet and will be taken off the vehicle using a tail lift and pump truck.
- Pallet will be taken to the front of the store and delivered into the necessary location in the premises.

- All pallets and rubbish used by the delivery crew will be put back on the vehicle and vehicle doors closed.
- On departure, vehicle will continue on high road travelling north onto Green Lanes to get to the A406 to travel to the next destination.
