Fire damaged roof to no 118 Stapleton Hall Road

Outline of roof and dormer to no 116 Stapleton Hall Road

Outline of roof and dormer to no 116 Stapleton Hall Road

Fire damaged no 118 Stapleton Hall Road

The drawing is a technical architectural elevation. It features a main building facade with a gabled roof. Two chimneys are positioned on the roofline. Dashed lines indicate the original roof profile and a dormer structure. A separate dashed line on the left shows an alternative roof slope. On the right, a vertical section of the building is shown, with a dashed line indicating a fire-damaged area. Horizontal dashed lines are drawn across the facade at regular intervals. The drawing is a black and white line drawing with no shading or color.
