Dear Emily Whittredge,

Thank you for your recent notification concerning planning application HGY/2022/4434 relating to Cafe, 272 High Road, Wood Green, London, N22 8JY.

Having reviewed the available information relating to this development proposal we do not believe that it falls within our current remit, due to its size, position and use (the proposal does not appear to include any changes to the physical structure or security of the relevant building). As a result the MPS Designing Out Crime Group will not make any official comment, as the development is not in our official remit. We will continue to comment on applications of greater size/complexity/risk. Should the proposal also involve an application that is of note to the Local Authority Licensing Department, our colleagues in the relevant MPS Licensing Team should be consulted to ensure that the local crime and ASB impact can be assessed.

Yours sincerely,

Metropolitan Police Designing Out Crime Group
