Details of the pre-application advice received

During the meeting we discussed our proposals in principle Mercy noted that all the proposals were acceptable. Particular mention that;

- Side windows needed to be frosted and at height with no visibility to the neighbouring properties
- The parapet on ground floor needed to be lowered and the roof to be at the same level as existing
- A summer house (not shown on the drawings submitted in the pre-planning) would be acceptable as long as it did not take more than 50% of the existing garden space

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
