Dear Sir/Madam,

Notification under the Electronic Communications Code Regulations 2003 (as amended) to utilise permitted development rights for a proposed H3G (UK) Ltd upgrade at ECKINGTON HOUSE (HIROSS), 1340 FLADBURY ROAD, TOTTENHAM, LONDON, HARINGEY, N15 6SH (532804 E 188234 N).

As part of H3G's ongoing commitment of keeping Local Planning Authorities informed of electronic communications development in their area we can now provide details of our intention to install telecommunications apparatus at the above location.

In accordance with Regulation 5 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003 (as amended) this letter provides formal notification in writing of one calendar month notice in advance, of our intention to install electronic communications. No fee is required for the notification.

H3G intend to utilise its permitted development rights as identified in Part 16 of the Town and Country Planning (General Permitted Development) (England) (Amendment) Order 2022. The proposals contained herein constitute permitted development under Class A (a) of Part 16.

For the avoidance of doubt this letter does not constitute:

- An application for a determination as to whether the prior approval of the authority will be required to siting and appearance; or
- An application for planning permission

The proposed installation comprises –
