Hello Kwaku,
Transport comments are as follows:

- a. Cycle parking provision should be increased to comply with London Plan minimum standards. The layout of cycle parking should follow guidance in LCDS.
- b. Plans illustrating revised proposals for cycle parking should be provided.
- c. A car free s106 agreement is recommended to restrict eligibility of all occupiers from obtaining CPZ parking permits. The applicant will be responsible for corresponding cost (£400) for amending the CPZ TMO.
