A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The tree is protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

Works to tree protected by a TPO.

T1- Lime tree- (18m)- crown reduction back to most recent pruning points (approximately 5m reduction).

Issues

I hold no objections to the reasonable pruning back to the most recent previous past pruning points.

The tree has been maintained as a high pollard.

Limes generally respond well to such works.

Recommendation
