PLANNING HISTORY

The planning history of the site has been taken into account when coming to this decision.

SITE DESCRIPTION

The application site is a three storey semi-detached dwelling located on the southern side of Onslow Gardens. The property is not within any conservation area.

CONSULTATION RESPONSES

No representations were received in response to the notification and publicity of this application.

PROPOSED DEVELOPMENT

This application proposes the erection of a single storey outbuilding to the rear end of the garden.

REASONS FOR GRANTING PERMISSION

The proposed outbuilding is to be constructed in timber cladding. The proposed materials are considered in keeping with similar development in the locality.

The outbuilding is limited to a height and scale which could be achieved under permitted development if applicable and is thereby considered as a generally neighbourly form of development.

The proposal is considered proportionate and subordinate to the host building and is in keeping with the pattern of development in the area. Therefore, the local character and visual amenity of the area will be protected.

The height, depth and placement of the outbuilding would not result in a material loss of sunlight or daylight or have an overbearing appearance to the neighbouring property. There will be no material loss of privacy to neighbouring properties. The proposal is acceptable in amenity terms.

The proposed development is in general accordance with Policies DM1 and DM12 of the Development Management, Development Plan Document 2017, and policy SP11 of

Haringey's Local Plan Strategic Policies 2017. The proposed development also accords with the relevant policies of the London Plan 2021 and the NPPF.

All other relevant policies and considerations, including equalities, have been taken into account. Planning permission should be granted for the reasons set out above.

Conditions:

- 1 The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.
