A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

G1 – x2 Plum Trees – Re-reduce back to previous reduction points by approx 2m and shape.

Issues

I hold no objections to the reasonable repeat pruning works to prune back to the most recent previous points.

This particular species, generally responds well to such pruning.

Recommendation

No Objection
