Dear Robert,

Thank you for the latest photograph below.

We have also located my predecessor's report (see attached).

Please take this email as confirmation to fell the Red Oak under a five day notice due to its dead condition.

There is a condition to re plant dead, dying and dangerous trees within a Conservation site. Since you and the Arborist know the site best you can choose an appropriate species and inform us once decided.

Regards,

Daniel Monk

Hello Daniel

There are no leaves at all/ no sign of life on the Turkey Oak.
Photo attached. The Holly is masking the trunk

Regards, Robert
