PLANNING HISTORY

The planning history of the site has been taken into account when coming to this decision.

SITE DESCRIPTION

The subject site is a two storey dwelling located on the north-eastern side of Boundary Road. The site does not fall within any Conservation Area and is not within the curtilage of any listed building.

CONSULTATION RESPONSES

No representations were received in response to the notification and publicity of this application.

PROPOSED DEVELOPMENT

This application proposes an 'L' shaped extension infilling the space between the original outrigger and the shared boundary of No.212. The proposed extension would measure 8.915m at maximum depth, extending 3m beyond the existing outrigger projection. At the shared boundary of No.212, the height of the mostly flat roof projection is lowered to 2m at the eaves, limiting the opportunity of overshadowing or impeding neighbouring outlook. At the boundary of No.216, the extension is limited to a depth and height which is considered acceptable under permitted development and is generally considered a neighbourly form of development.

REASONS FOR GRANTING PERMISSION

The proposed extension is to be constructed in materials which would match the original materials used in construction of the dwelling. The proposal is considered proportionate and subordinate to the host building and is in keeping with the pattern of development in the area. Therefore, the local character and visual amenity of the area will be protected.

The height, depth and placement of the extension would not result in a material loss of sunlight or daylight or have an overbearing appearance to the neighbouring property. There will be no material loss of privacy to neighbouring properties. The proposal is acceptable in amenity terms.

The proposed development is in general accordance with Policies DM1, DM9, and DM12 of the Development Management, Development Plan Document 2017, and policies SP11 and SP12 of Haringey's Local Plan Strategic Policies 2017. The proposed development also accords with the relevant policies of the London Plan 2021 and the NPPF.

All other relevant policies and considerations, including equalities, have been taken into account. Planning permission should be granted for the reasons set out above.

Conditions:

- 1 The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.
- 2 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.
- 3 The external materials to be used for the proposed development shall match in colour, size, shape and texture those of the existing building.

Reason: In order to ensure a satisfactory appearance for the proposed development, to safeguard the visual amenity of neighbouring properties and the appearance of the locality consistent with Policy D3 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

Informatives:

and not at all on Sundays and Bank Holidays.
- **INFORMATIVE: Party Wall Act**
