Morning Rachel,

I hold no objections to the removal of the dead Plum Cherry tree under a five day notice.
Please take this email as confirmation to make safe.

There is a condition to re plant dead, dying and dangerous trees within a Conservation Area.

I would recommend a native species 10-12cm girth such as a Birch.

Regards,

Good afternoon Rachel,

Many thanks for your email. I've registered this Notice onto our database with reference HGY/2023/1349, and we will of course let you know as soon as it's been assessed.

Kind regards,

James.
