Site

The vegetation C1 Wisteria and H4 Privet hedge, as marked on the plan and seen in the photographs, are situated in the front garden of the property. They are publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Alexandra Park Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

C1 Wisteria Remove

H4 Privet Remove - (This is jointly owned by 38 Grasmere Road).

Issues

I hold no objections to the proposed works as the wisteria and privet hedge are low grade and not worthy of a tree preservation order.

Recommendation

No Objection
