Dear Mr McNamee

Thank you for paying your registration fee in full at first registration. You will shortly receive your Scheme branded materials which must be displayed as soon as possible. Please also note that any extension to your registration may incur additional fees.

You can manage your registration and track your performance via the [Insights Dashboard](#).

You will shortly receive your Scheme branded materials which should be displayed as soon as possible. To make the most of your registration with the Scheme and to help you prepare for your Monitor visit, we would suggest you take some time to visit the following links,

- the Scheme's [Best Practice Hub](#) for examples of construction industry best practice, case studies, campaigns and e-learning
- review the [Code of Considerate Practice](#) and [Checklist](#)
- Access the [Insights Dashboard](#) to manage your registration, track your performance and review the optional self-assessment checklist ahead of your visit.

If you have any queries, please email registrations@ccscheme.org.uk.

Kind regards
