Dear Haringey Council,

I write on behalf of my client, Crouch End (FEC) Ltd, to seek partial discharge of Condition 10 relating to the redevelopment of Hornsey Town Hall (HGY/2017/2220) and LBC (HGY/2017/2222). The condition relates to the details of the hard and soft landscaping.

The application is part of an ongoing process relating to the works to the Listed Town Hall. Prior to this application on-site visits, meetings, and minuted trackers recording methods and samples of works have been undertaken. This application is part of supplying a formal application to the relative authorities for formal approval to the works.

Due to the ongoing nature of the work with not all details yet available but the requirements to supply this information for the works, this submission will be submitted in sections relating to the works completed and as part of the ongoing process with LBH and HE.

Kind Regards
