Subject: ENVIRONMENTAL NOISE IMPACT ASSESSMENT - HGY/2022/4476

Dear Martin

Environmental Noise Impact Assessment, External Glazing Report (HGY/2022/4476)

I have reviewed the noise assessment provided (reference: SA – 6685 GL01) as details pursuant to Condition A13 (Noise Level Testing Details) of the Tottenham Hale Centre planning permission.

I accept the specifications for provided for the ventilation and external glazing. I confirm that no further information is required and recommend the discharge of Condition A13.

Yours sincerely

Jennifer Barrett
Noise and Nuisance Manager
