**Conditions: (3)**

- 1 The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2 The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 The maximum steady brightness of the illumination of the signage shall not exceed 300 candelas per square metre.

Reason - To accord with Policy DM3: Public Realm and DM23: Environmental Protection of the Development Management DPD 2017 as an advertisement of greater brightness would be unduly obtrusive and would be detrimental to the amenity of the area.
