Hi Liam,

Thank you for the email.

Yes, I attended site and viewed this dead Beech tree. The resident was very fond of this tree.

Please take this email as confirmation to fell the tree under a five-day notice.

There is a condition to re plant. I have been in discussion with the tree owner regarding choice of species. Please inform us, so we can update our records, what the resident has chosen to re plant with.

Regards,

Daniel Monk
Senior Arboricultural Officer (Planning)
Haringey Council, L4, Alexandra House, Station Road N22 7TY

Client said it was the senior tree officer Daniel Monk attached who has advised the removal due to fungus in the root and base. Tree has died. Picture attached

I hadn't thought it was in immediate risk of catastrophic failure but perhaps it should be removed sooner rather than later.

Could we change it to a 5 day please?

KR

Liam
